

Faculty Handbook Committee
Minutes

Date: February 11, 2009
Time: 1:00 PM
Place: Dolan, E244
Attendance: Dwight, Bob, Brenda, Marcy, Jackie, Sheila.

This was the seventh meeting of the 2008-2009 academic year.

Minutes from the meeting of 1/21 were not available for review.

Bob distributed a letter that Miles Coburn sent to Education and Accountancy in June 2006 with questions about the notion of clinical faculty. As far as anyone knows, this letter was never answered.

The committee proceeded to discuss what its recommendation to the faculty about the practitioner in residence should be. There are a number of unanswered questions and some objections to the proposal as written. The committee discussed some of the input received at the hearings and in our meeting with the Deans.

Bob will attempt to write a document that summarizes our own discussions and input to the committee: comments raised at the hearings, e-mails to the committee, and committee discussions about the proposal with the deans and AVP.

The committee will meet on Monday, February 16, 2009, to discuss the proposal with John Day.
