RE: Annual Report for Academic Year 2004-5

November 28, 2005

In accordance with the Faculty Handbook, this report is to summarize the actions of the Faculty Service Committee during the previous academic year. Also attached is a hard copy of committee memberships for 2005-2006.

The Committee served as a nominations-and-elections committee for the following elected faculty representative positions: the search committees for the Dean of the Boler Business School, the Director of Grasselli Library and Breen Learning Center, the Director of the Honors committee, the Director of Catholic Studies, the Director of Global Education, the search committee to find a new president of the University, and the standing committees of the faculty as well as those non-Forum committees which have elected faculty membership. The Faculty Service Committee also conducted the Faculty Forum elections.

The Faculty voted on two resolutions last year: an amendment to the Forum Constitution, which passed, and a proposal from the Rank, Tenure and Salary Committee, which also passed.

There was one grievance filed by a faculty member continued over to the 2004-5 academic year from the previous year. That grievance was resolved.

Election results can be found by going to the Faculty Service Web Page at <http://www.jcu.edu/fsc/index.htm> and Forum and University standing committee memberships, along with terms of office, can be found at <http://www.jcu.edu/forum/>.
