

## AAAOWNER

This program displays owner information for your calculator. You will be entering a program into your calculator that will display your name and phone number when run. These instructions are for the TI-83, TI-83 Plus, and TI-84 Plus calculators.

Make sure your calculator is **ON**.

Select menu items by highlighting the item and pressing **ENTER**.

This **ENTER** is **in addition to** all of the **ENTER** commands below!

Key: buttons to press are **boxed**  
menu items to select are in "quotes"  
the text you type is in *italics*

Here we go!

**PRGM**

Select "NEW".

Type the name of the program: *AAAOWNER*. The alphabet keys are labeled in green on the TI-83. The strange name of this program virtually ensures that it will appear first on your program list.

**ENTER**

**PRGM**; highlight "I/O" and then select "ClrHome" (choice 8) **ENTER**.

**PRGM**; highlight "I/O" and then select "Disp".

**2nd** **Alpha** **"** *your name* **"**.

(You **MUST** enter the quote marks, located above the plus key. Note that the blank space symbol is located above the zero key.) If your name is more than 15 characters, including the space, you must display it on two separate lines.

**ENTER**

**PRGM**; highlight "I/O" and then select "Disp".

**Alpha** **"** *your phone number* (use the subtraction symbol for the dash) **Alpha** **"**.

(Again, you **MUST** have the quotes!)

**ENTER** **2nd** **QUIT**.

Check that you've entered the program correctly: Press **PRGM**, move the cursor to "Edit", and select "AAAOWNER." The body of the program should look like this:

```
:ClrHome
:Disp "JOE STUDE
NT"
:Disp "216-555-5678"
```

To run your program, press **PGRM** and select "AAAOWNER". From the home screen, press **ENTER** to run the program. See your instructor if you have questions!
